**Strafford Cars**  
74 Preston Road  
Brighton  
East Sussex, BN1 4QG

Strafford Cars have to offer this time warp example Volkswagen Polo Coupe 1.3 CL (MK2 Facelift) having covered a mere 26,859 miles. This example has clearly been garaged from new by its 3 total owners as its body is entirely rust free; a rare claim for a vehicle of this era. The exterior paint colour has not faded which further substantiates the 'garaged from new' claim. This vehicle has never been restored as such however has endured a light cosmetic refresh dated 22/10/20 at a VW Approved Paint and Body centre which is supported by a VW Authenticity Guarantee Certificate. Unbelievably this 1991 Polo has a full VW Main dealer service history comprising of 24 stamps at the following mileages:1919, 4627, 6759, 8382, 10387, 12057, 14839, 14894, 15585, 16686, 17459, 18484, 19495, 20277, 20730, 21163, 21796, 22646, 23245, 24516, 24962, 25539, 25828 and 26241. To further preserve this car we will be storing it in our heated showroom until sold. Should you have any questions or would like to...
