 TYRE REPAIR KIT

A rare opportunity to acquire what is believed to be the very best MK2 Focus RS remaining. The example on offer here shows just 12500 miles covered by its 1 and only private owner from new. The service history is full and complete backed up by copies of the original service receipts and MOT certificates; all of which from the same Ford main dealer and in the month of September or October for each year. In prep for sale we have professionally refurbished all four wheels and fitted them with a fresh set of Michelin pilot sport 4 S Tyres. The surface corroded brake discs caused by the cars lack of use then looked out of place against the freshly painted wheels so we replaced the vehicle set of brakes for good measure. Supplied with the vehicle is its book pack, original instructions, unopened original RS floor mats, HPI Clear certificate, Current V5 showing 0 former keepers, 2 remote keys and 1 skeleton key. If you are in the market for a collection worthy Mk2 RS this is the vehicle for ...
